Infrastructure

We aim to provide a safe and healthy environment to the children. To this end, the Society ensures that the homes are airy spacious buildings with big playgrounds. At the Nanal Nagar campus, we have V.K.Dhage School (English Medium) upto Class VII. Children have access to a dedicated library and a computer lab. Sports facilities like a running track and a basketball court are available to nurture the sports talents. The Society ensures that it provides quality food, clothing, school stationery, footwear etc.
