Infrastructure

We aim to provide a safe and healthy environment to the children. To this end, the Society ensures that the homes are airy spacious buildings with big playgrounds. At the Nanal Nagar campus, we have V.K.Dhage School (English Medium) upto Class VII. Children have access to a dedicated library and a computer lab. Sports facilities like a running track and a basketball court are available to nurture the sports talents. The Society ensures that it provides quality food, clothing, school stationery, footwear etc.

Holi

Holi is a popular festival, also known as the Festival of Spring, the Festival of Colours or the Festival of Love. This festival celebrates the eternal and divine love of Lord Krishna for Goddess Radha. Our homes too celebrated Holi with flowers and colours. Here is to hoping that the vibrancy of colors brings in a lot of positivity in all our lives!
